Book Match Availability: **One Face**
Slab Size: **63" x 126"**
Slab Thickness: **12mm**
Residential Warranty: **Limited 15 Year**
Supportive Fiber Mesh: **Edge to Edge**

PRODUCT DESCRIPTION

Raw elegance meets architectural strength in Bratislava. Inspired by the wild character of metamorphic rock, this slab showcases a rich charcoal-black backdrop animated by bold, erratic veining in shades of ivory and ash. Its fluid motion mimics the geological forces that shape nature's most dramatic stones. Crafted in a luxurious matte finish, Bratislava is the perfect centerpiece for modern interiors that demand texture, depth, and a touch of the unexpected.
