### PRODUCT DESCRIPTION

A bold expression of luxury, Cairo brings together the intensity of a jet-black surface with vibrant, fiery veining in shades of copper, gold, and burnt orange. Reminiscent of volcanic stone or richly veined onyx, this slab creates instant visual impact in both residential and commercial interiors. Its dramatic pattern and tonal complexity are enhanced by a velvety matte finish that adds depth and refinement. Ideal for statement islands, feature walls, and upscale design projects, Cairo combines artistic flair with the durability and ease of maintenance of 12mm porcelain.
