Rooted in the rich aesthetics of Brazilian Taj Mahal quartzite, Vitoria embodies elegance and refinement in every detail. Its soft ivory-beige surface reveals intricate textures and gentle linear veining. Named after the port city of Vitória in Espírito Santo—renowned as a global hub for quartzite export—this slab blends warm, neutral tones with quiet sophistication. Crafted in a durable 12mm porcelain body and available in both Polished and Soft Touch finishes, Vitoria is ideal for serene, upscale interiors that seek the calm beauty of natural stone with the benefits of porcelain.
