PRODUCT DESCRIPTION

Elegant in its simplicity, Hanoi captures the quiet sophistication of classic marble through a contemporary porcelain lens. The soft ivory background is gently accented by fine golden veining, creating a serene and airy composition that complements a wide range of interior styles. The glazed finish adds a gentle sheen, bringing light to the surface while maintaining a smooth, tactile quality. Ideal for refined residential and commercial spaces alike, Hanoi balances natural beauty with the durability, ease of maintenance, and long-lasting appeal of glazed 12mm porcelain.
